## Industrial New Orders

August 2011

---

### **New orders in industry index decelerates**

In the quarter ended in August 2011, industry new orders increased by 15.5% in year-on-year terms (18.7% in July). This result was determined by the decelerations observed in both markets. External market new orders rose 17.0% (20.7% in the previous month), while domestic market new orders registered a year-on-year change rate of 13.8% (16.3% in July).
